a note from our executive director...

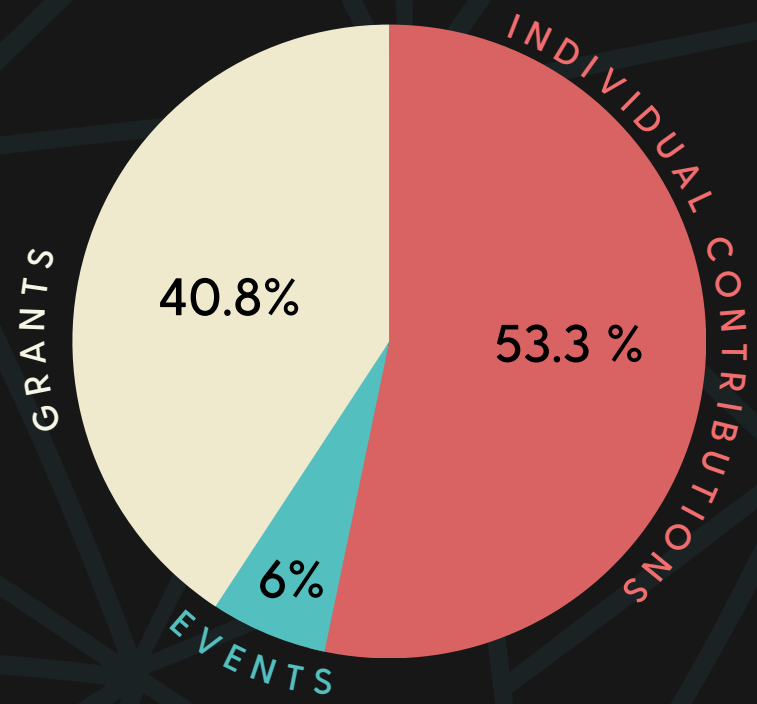

Our doors at Pioneer Youth first opened in January 2022. It's humbling to look back and see how far we have come over the last 2 years. Honestly, this journey is better and harder than we could have ever imagined. The biggest thing we have learned is that we can't accomplish anything with our youth without first having a relationship with them and that takes TIME and CONSISTENCY. Our goal at Pioneer Youth is to empower and inspire our youth to reach their full potential. Sometimes, that looks like a student improving grades, developing new relationships, or watching them learn how to walk away from a fight they would have engaged in in the past. The best thing we can do to continue to see changed lives is to remain consistent. Our kids at Pioneer Youth are some of the most amazing people you will ever meet and I am continually humbled and grateful for the role I get to play in this incredible community. Thanks for taking this journey alongside us. We can't do it alone.

WE HAVE FOUND THAT THROUGH THESE SIMPLE MOMENTS COME OPPORTUNITIES FOR MORE MEANINGFUL CONVERSATIONS WITH OUR YOUTH. AS WE OPEN OUR HEARTS TO DO "REAL LIFE" WITH THEM TRUST IS BUILT AND THEY ALLOW US TO SPEAK INTO THEIR LIVES AND THE SITUATIONS THEY ARE WALKING THROUGH. TO US, IT MAY BE "JUST" BASKETBALL, AN EVENT, PLAYING SOCCER, OR HANGING OUT WHILE GIRLS DO OUR HAIR, BUT TO THEM ITS A CONNECTION THAT RUNS DEEP.
